A young boy with short dark hair, wearing a blue long-sleeved shirt and light-colored pants, is shown in profile from the waist up. He is holding a paintbrush and applying paint to a large mural on a wall. The mural depicts a landscape with a wide river in the foreground, dark mountains in the middle ground, and a sky with soft, blended colors of blue, pink, and white. In the foreground, on a wooden table, there are several paint containers: a large black bucket with brushes, a palette with various colors, and several smaller jars of paint in different colors like blue, yellow, and red.

WALSH

A hand in a dark grey sleeve is painting a wall with a brush. The wall is covered in thick, expressive brushstrokes of brown, white, and light blue. The background is a blurred, abstract painting with similar colors.
